

5-position switch distribution box

Overview

The PD-5F combines clean power distribution with reliable circuit protection in a compact block for the shack, vehicle, or fixed installs. It provides one fused input and four individually fused outputs for Anderson Powerpole (PP15/30/45). More Details on photos! NEW, without the original packaging! Warranty 12 months. Other models on inquiry! This product applies to terminal of AC 50Hz (or 60Hz), rated operating Voltage up to 400V and rated current up to 63A, equipped with various modular electric for functions of electric energy distribution, control, (short circuit, overload, earth leakage, over-voltage) protection, signal, measurement of. Information- and Downloadcenter (Catalogs, Brochures.) Service&Support (Manuals, Certificates, Characteristics, FAQs.) Image database (product images, 2D dimension drawings, 3D models, device circuit diagrams. From the factory it ships with ATO/ATC blade fuses: 40 A on.
