

Supply cost of multi-hole double-groove cable trays

Overview

TL;DR: Basic wireway systems cost \$8-15 per linear foot, while heavy-duty cable tray installations range from \$12-25 per foot including materials and basic installation. Premium industrial cable management systems can exceed \$40 per foot depending on specifications and regional. Panduit E1 Series - Premium aluminum systems at \$8-12 per foot with superior corrosion resistance T&B Copperfield - Mid-range steel options at \$4-7 per foot with standard configurations Carlon NEMA - Budget-friendly PVC solutions at \$2-5 per foot for light-duty applications Atkore HellermannTyton -. The majority of individuals will consider the cost of the components. But the actual price is the cash outlay to the workers to assemble the parts. 2 Why is Conduit So. The upfront cost of purchasing the cable management system itself. They are strong, durable, and widely available, making them ideal for general-purpose electrical installations in residential, commercial, and industrial settings. Steel trays provide an excellent balance between affordability and performance. Cable tray pricing depends on materials, coatings, size, supplier margins, and order quantity —plus hidden costs like shipping and installation.
